

QUESTIONS TO ASK THE RESEARCHER

You can ask a member of the research team questions at any point in the study. You have the right to be informed! Here are some good questions to ask when you are considering participating. You can bring these with you to your first study visit.

What is the purpose of this study?

What will I be asked to do?

How will my information be kept private?

How long will the study last?

What are the incentives for being in the study?

Who can I contact if I have questions?

What happens if I no longer want to be in the study?
